WE LOOK FORWARD TO MEETING YOU AND YOUR CHILD

Pre-Prep children are invited to join us for a unique experience engaging in some fun learning activities in our Prep Learning Centre, whilst parents enjoy morning tea with our Leadership Team.

This experience is open to all children enrolled in either a 3 or 4 year old preschool program.

2022 Events and Prep Transition Program for students starting school next year.

Strong relationships are the cornerstone of great learning communities. At Mentone Primary School we promote the development of connected, confident, creative learners facilitated by the strong, authentic relationships that exemplify our learning community. A community partnering together with respect, integrity and understanding to model and instil high expectations in everything we do.

The Transition program will not only help prepare your child for transition to school in 2023, it will also provide you and your child with opportunities to begin developing friendships with new peers and families.

While children are participating in the Transition sessions parents are invited to join other parents in the staffroom for a chat with our leadership team and members of our Parent Club.
